IMPORTANT: This English-language disclaimer is provided for informational purposes only. The German-language version (Haftungsausschluss) is the sole legally binding version. In the event of any discrepancy, the German version shall prevail.

IMPORTANT NOTICE: This newsletter serves exclusively for informational purposes and does not constitute investment advice or a personal recommendation. The analyses were created with AI support and may contain errors. AI systems can "hallucinate" and deliver erroneous information. All analyses, including AI-powered evaluations, may be erroneous, incomplete, or outdated. Past developments, odds movements, or hit rates are not a reliable indicator of future results. Every investment decision is made at your own responsibility and own risk. We are not liable for losses from investment decisions made on the basis of this information, except in cases of intent or gross negligence. Liability for personal injury and mandatory statutory liability remains unaffected.

1. General Notice

- The newsletter and the analyses contained therein serve exclusively for informational purposes.
- The content does not constitute investment advice, financial advice, or a recommendation to buy or sell securities, derivatives, cryptocurrencies, or other financial instruments.
- The content does not constitute individual advice and does not replace consultation with a qualified financial advisor.

2. Nature of Content — Sentiment Analysis

- The analyses are based on the evaluation of publicly available data from prediction markets, in particular Kalshi.
- The data is processed, analysed, and prepared using artificial intelligence (AI). The resulting outputs constitute a purely data-driven sentiment analysis.
- This expressly does not represent an evaluation of, or recommendation regarding, any financial instrument or investment strategy.

3. AI-Generated Content

- The analyses are created in whole or in part by AI algorithms.
- AI-generated content is inherently subject to uncertainty, hallucinations, and statistical distortions. AI systems can "hallucinate" and deliver erroneous information. It does not constitute a reliable basis for investment or trading decisions under any circumstances.
- All analyses, including AI-powered evaluations, may be erroneous, incomplete, or outdated. No guarantee is given for the correctness of AI outputs.
- The results of AI analysis reflect statistical patterns and probabilities. They are not forecasts or predictions with any degree of certainty and must not be understood as such.

4. No Guarantee of Accuracy or Completeness

- Despite careful preparation, no guarantee is given for the accuracy, completeness, timeliness, or quality of the information provided.
- The data sources (prediction markets) are subject to their own limitations, risks, and market mechanisms. Tradejectory OG has no influence on the quality and availability of such third-party data.
- Information may change after publication without the newsletter being updated.

5. Limitation of Liability

5.1 Liability Exclusion for Investment Decisions: Liability for damages arising from the use of the information provided for investment or trading decisions is excluded to the fullest extent permitted by applicable law. The user expressly acknowledges that investment and trading decisions can result in the complete loss of the capital invested. Tradejectory OG accepts no liability whatsoever in this regard.

5.2 Liability Exclusion for Data Loss: Tradejectory OG is not liable for the loss, damage, or non-delivery of data, newsletters, or other digital content, unless attributable to intent or gross negligence.

5.3 Liability Exclusion for Damages from AI Errors: Tradejectory OG is not liable for damages caused by erroneous, incomplete, or misleading AI-generated content. The user acknowledges that AI systems can "hallucinate" and deliver erroneous information.

Note: Under Austrian law, liability for intent (Vorsatz) and gross negligence (grobe Fahrlässigkeit) cannot be excluded. The above exclusions therefore do not apply to damages attributable to intent or gross negligence of Tradejectory OG, its partners, or vicarious agents. Liability for personal injury and mandatory statutory liability remains unaffected.

- In particular, no liability is accepted for financial losses, lost profits, indirect damages, consequential damages, or incidental damages arising from investment or trading decisions made on the basis of the information provided.
- Past developments, odds movements, or hit rates are not a reliable indicator of future results.

6. Prohibition of forwarding

- The forwarding, redistribution, or other dissemination of newsletter content, reports, or other content of Tradejectory OG to third parties is prohibited without prior written consent.

- The content provided is intended exclusively for registered users who have accepted the GTC, the Disclaimer, and the Privacy Policy of Tradejectory OG.
- Should a third party receive content of Tradejectory OG without being a registered user, no contractual relationship with Tradejectory OG exists, and the third party is not entitled to use the content.

The following notice is displayed on every report: “This report is intended exclusively for registered users of Tradejectory OG who have accepted the General Terms and Conditions, the Disclaimer, and the Privacy Policy. Forwarding to third parties is prohibited without the prior written consent of Tradejectory OG. If you have received this report without being a registered user, you are not entitled to use the information contained herein, and no contractual relationship with Tradejectory OG exists.”

7. Trial Download

- Tradejectory OG offers a free trial download in which an older (non-current) report is sent by email.
- This disclaimer applies in full to the trial download.
- The trial download does not constitute investment advice or a personal recommendation. The content of the trial report may be outdated and does not reflect the current state of the markets.

8. User's Own Responsibility

- Any investment or trading decision is made solely at the user's own risk and responsibility. Investment and trading decisions can result in the complete loss of the capital invested.
- The user confirms upon registration that they possess a solid general financial education and are able to independently and critically evaluate financial information and independently assess risks of investment decisions.
- The user is obligated to seek independent professional advice before making any financial decision.
- Past data, sentiment values, and historical analyses are not a reliable indicator of future developments or results.

9. Not a Regulated Financial Service

- Tradejectory OG is not an investment firm, credit institution, or securities firm within the meaning of the Austrian Securities Supervision Act 2018 (WAG 2018) or the Austrian Banking Act (BWG).
- The newsletter is not subject to supervision by the Austrian Financial Market Authority (FMA).
- No licence or authorisation is required under WAG 2018 or MiFID II for the services offered, as the newsletter constitutes a general information service and not a regulated financial service.

10. Geographic Restrictions

- The services of Tradejectory OG are directed exclusively at persons with residence or registered office within the European Union and Switzerland.
- Persons with residence or registered office in the United States of America (USA) as well as US persons within the meaning of US regulations are excluded from using our services.

11. Changes

- Tradejectory OG reserves the right to amend this disclaimer at any time without prior notice.
- The current version as published on the website shall apply.

12. Language Version

This disclaimer is available in German and English. The German version is the sole legally binding version. The English version serves exclusively as a reading aid. In the event of any discrepancy, the German version shall exclusively prevail.

13. Jurisdiction

For all disputes arising from or in connection with this disclaimer, the competent court in Linz, Austria, shall have exclusive jurisdiction.
